

Barakah Culture Manifesto

IN 100 WORDS

Bismillah.

Start every action

with **sincere intention**

and ask Allah for help. Life

is not about you, it's about

serving your Lord with

excellence. **Praise Allah** for what

you have and seek what He has

beautifully. Be like a **gardener:**

focused, hardworking, gentle, and

trusting God with the results. Seek

your **parents' blessings**, even at a

personal sacrifice. **Plant a seed**

whose harvest will benefit

generations to come. **Pray and**

persist for your goals until you

achieve them or are guided to

what's better. **Remember death**

often to stay focused on what

matters. Send abundant

blessings upon **Prophet**

Muhammad ﷺ.

Alhamdulillah.
